

PRICE LIST (WITH E.O.P.Y.Y.)

Cost of each prenatal appointment at The Birth Center: 35€

Total cost of natural birth at The Birth Center: 1950€ for women insured by E.O.P.Y.Y. (regardless of insurance fund), which includes:

- Support from the midwives of The Birth Center during labour and childbirth
- Stay in a single, comfortable room throughout the entire duration of labour and up to 24 hours after the birth of the baby
- Meals for both you and your birth partner, as well as two postpartum visits. One postpartum visit is carried out by a midwife at The Birth Center, while the second visit, depending on the area of residence in Attica, may either take place at your home or at The Birth Center.
- On admission to The Birth Center in labour an initial payment of 1000€ is paid as deposit, which is deducted from the total amount of 1950€. The deposit is in no way to be refunded, for example in the event of transfer to the hospital or if the woman changes her mind regarding her birth plan and decides to leave.

Group sessions at The Birth Center

The sessions can be booked online as mentioned on the website of The Birth Center.

Note: If transfer is required, the above prices do not include any charges related to the services of the affiliated medical unit.
